Magic Treehouse Pirates Past Noon KIDS (casting all youth ages 6-11)

Magic Tree House: Pirates Past Noon KIDS is an adaptation of the fourth of Mary Pope Osborne's award-winning fantasy adventure books from the *Magic Tree House* book series, which has sold more than 100 million copies and is available in more than a hundred countries around the world. This time around, Jack and Annie's tree house takes them to an exotic island with pirates, where the two discover the power of friendship and the simple pleasures in everyday life. The two siblings return to visit the magic tree house on a dreary, rainy day. They find a book where the sun is shining and the waves are crashing, so they wish to travel to this tropical place. They realize that they are in the eighteenth-century Caribbean, the time of pirates! The siblings meet Captain Bones, a mean old pirate who captures the two and forces them to help him find buried treasure. It's up to Jack and Annie to find their way back to the tree house and make their way home.

Featuring a fast-paced, wildly funny and touching book by Rachel Sheinkin and a truly fresh and vibrant score by William Finn, this bee is one unforgettable experience. An eclectic group of six mid-pubescents vie for the spelling championship of a lifetime. While candidly disclosing hilarious and touching stories from their home lives, the tweens spell their way through a series of (potentially made-up) words, hoping never to hear the soul-crushing, pout-inducing, life un-affirming "ding" of the bell that signals a spelling mistake. Six spellers enter; one speller leaves! At least the losers get a juice box. Cinderella Cinderella is the heroine of the show. She is a strong-willed girl with enormous faith. Cinderella believes that, in time, good things happen to good people, and deep down she knows her day will come. She does not resent her Stepfamily - she is aware of their social and emotional limitations. Strong Singer and Actress. Gender: Female; Vocal range top: D4; Vocal range bottom: B2

Stepsisters The Stepsisters should be cast with two of your stronger actresses with excellent comedic timing and physical comedy skills. ANASTASIA works well when played as spoiled rotten and not very bright. She's used to getting her way and throws a fit whenever she hears the word "no." DRIZELLA works well as the bully of the two. Although both Stepsisters hate Cinderella equally, Drizella is more likely to be the one that starts a fight with her. Strong actresses. Gender: Female

Stepmother Stepmother is the mother to Anastasia and Drizella and the stepmother to Cinderella. She is cold, cruel, and calculating. She is unhappy with her place in life and is determined to use her daughters to get where she wants to be: the Palace. She is threatened by Cinderella's kindness and the effect it has on people. Strong Actress. Gender: Female

Perla Perla is the most mature of the mice and is always ready to straighten out a mess and has a maternal instinct about her. She is often near Gus, helping him on his way. Strong mover, character actor, and singer. Gender: Female

Gus Gus is the most innocent of the mice and Cinderella's biggest fan. Often simple, shy and fearful, Gus responds immediately when Cinderella calls to him. Given the additional characteristics of this famous mouse, cast an exceptionally strong mover and character actor in this part. Annie Jr. (casting all youth ages 6-18)

Based on the popular comic strip and adapted from the Tony Award-winning Best Musical, with a beloved book and score by Tony Award-winners, Thomas Meehan, Charles Strouse and Martin Charnin, *Annie JR.* features everyone's favorite little redhead in her very first adventure. With equal measures of pluck and positivity, little orphan Annie charms everyone's hearts despite a next-to-nothing start in 1930s New York City. Annie is determined to find the parents who abandoned her years ago on the doorstep of an orphanage run by the cruel Miss Hannigan. Annie eventually foils Miss Hannigan's evil machinations, finding a new home and family in billionaire Oliver Warbucks, his personal secretary, Grace Farrell, and a lovable mutt named Sandy.

ANNIE Annie is a complex little girl. She is a tough, streetwise urchin who is nevertheless vulnerable when she thinks she might lose what has become most important to her: a newfound "family" who loves her. The actor who plays Annie must be strong vocally and musically. She must be capable of vocal projection without strain. Although she is at times aggressive or crafty, the audience should never doubt Annie is a friendly and caring child; she will go to any extent to gain the love of a family to which she can belong. Range: A3 - E5

ORPHANS - Molly, July, Kate, Duffy, Pepper, Tessie Strong singers, actors, and dancers with varying personalities.

GRACE FARRELL Grace has the ability to always remain mature, calm, put together. She is classy and businesslike when dealing with Miss Hannigan and Warbucks, yet maternal toward Annie. Strong singer and actress. Range: A3 - D5

MISS HANNIGAN This woman is definitely a "has-been." Her distaste for her job and the children should be very obvious and she has an excellent sense of comedic timing. The acrid delivery of her lines and the torch-like rendition of her songs must distinguish her from the other characters in the show. Range: G3 - D5

ROOSTER Rooster is a flashy and self-assured singer, actor, and dancer Ranges: G3 - Eb5

LILY Lily is an airhead and always distracted. She never acts as the leader, always bringing up the rear while tripping over her own feet. Strong singer, dancer, and actress. Ranges: Bb3 - Eb5

SANDY Sandy is Annie's canine friend and scrappy in her own right. Dog should be well-behaved, obedient, and friendly. Male or Female, Any Age, or Live Animal

WARBUCKS This may be the most challenging role as Warbucks must appear middle-aged, self-assured and confident. At first awkwardly affectionate toward Annie, he soon finds himself completely charmed by her. He will need to be extremely focused throughout the show, and his posture, walk and speech patterns are very important. Range: A3 - D5
