

Character Descriptions A Year with Frog and Toad KIDS Ages 6-13, all youth are cast

Frog

Frog is a friendly, confident, positive and caring character. This role requires a strong actor and singer. He should always seem comfortable solving Toad's problems and reacting to Toad's traumas.

Toad

Toad is serious, irritable, self-conscious yet an oddly charismatic character. The friendship that he shares with Frog must appear loyal through and through. This role requires a strong actor and singer.

Turtle

Turtle is a "rabble-rouser" and loves to get the whole gang to tease Toad in fun! This actor should be a strong singer and be able to be a comedian at the same time.

Mouse

Mouse is always able to ask all the right questions like a talk-show host. Mouse, like Turtle, is full of fun and they should have a good chemistry because of their call/response dialogue and song.

Lizard

Lizard is definitely the most confused of the Turtle, Mouse, Lizard trio, but eventually joins in the fun. Singer and Actor.

Snails

The Snails are simply unflappable. They will deliver without fail "in the rain or sleet or snow." With lots of personality, they are the comedic relief of the show.

Birds

The Birds communicate the passage of time (seasons) and set the stage for the story to follow. The birds should have a sense of musical timing with great stage presence.

Moles

The Moles should have expressive faces to convey the excitement in Down the Hill as well as sincerity in their angelic solo Merry Almost Christmas.

Squirrels

The Squirrels are full of mischief and should be comfortable moving, talking and singing with squirrel-like qualities.

Woodland Creatures

Singers and actors playing various creatures.

A Year with Frog and Toad KIDS is presented by arrangement with Music Theatre International.
